You cannot declare intellectual or exclusive property to any of our products, modified or unmodified. All products are the property of the content providers. In the event that it is not specified otherwise, our products are provided without any kind of guarantee, express or implicit. In no case shall this company be liable for any damages including, but not limited to, direct, indirect, special, incidental or consequential damages or other losses resulting from the use or inability to use our products.

REIMBURSEMENT AND WARRANTY POLICY

In the case of products that are non-tangible irrevocable goods, we do not make refunds after the product is shipped, you have the responsibility to understand before buying it. We ask you to read carefully before buying it. We only make exceptions with this rule when the description does not conform to the product. There are some products that could have a guarantee and possibility of reimbursement, but this will be specified when buying the product. In such cases the warranty will only cover manufacturing faults and will only be effective when the product has been used correctly. The guarantee does not cover faults or damages caused by improper use. The terms of the guarantee are associated with manufacturing faults and

operation under normal conditions of the products and these terms will only be effective if the product has been used correctly. This includes:

- Used accordingly to the technical specifications indicated for each product.
- Used in optimal environmental conditions according to the specifications indicated by the manufacturer.
- To be specifically used to perform the function it was originally designed to perform from factory
- In operating conditions in accordance with the indicated specifications and tolerances.

ANTI-FRAUD VERIFICATION

The purchase of the customer can be postponed for the anti-fraud check. It can also be suspended for more time for a more rigorous investigation, to avoid fraudulent transactions.
